

SUBJECT: CERTIFIED CONSERVATION PLANNER **DATE:** _____

PLAN REVIEWED: _____ **COUNTY:** _____ **TRACT NO:** _____

PLANNER: _____ **FILE CODE:** 180

I have reviewed your certification elements for Conservation Planning Certification (see 180-GM, Part 409.9). The purpose of the review is to ensure that policies and procedures have been followed and that all elements have been addressed to meet certification requirements. The following planning certification elements have been reviewed and completed (check all that apply):

<i>Certification Elements</i>	<i>Comments and/or Required Follow-up</i>
<input type="checkbox"/> Completion of Missouri NRCS Conservation Planning Course	_____ _____
<input type="checkbox"/> Awareness of National Conservation Programs	_____ _____
<input type="checkbox"/> Completion of at least one Resource Management System (RMS) level Plan	_____ _____ _____
<input type="checkbox"/> Ability to plan the common conservation practices in the candidate's work location at a "apply independently" proficiency level	_____ _____ _____
<input type="checkbox"/> Ability to implement the common conservation practices in the candidate's work location at a "perform with supervision" proficiency level	_____ _____ _____
<input type="checkbox"/> Knowledge of Missouri NRCS Field Office Technical Guide standards and specifications common to the candidate's work location	_____ _____ _____
<input type="checkbox"/> Skill in applying the Revised Universal Soil Loss Equation, Wind Erosion Equation, and/or Gully Erosion calculations at a "apply independently" proficiency level for common site conditions in the candidate's work location	_____ _____ _____ _____

Skill in using site vulnerability assessment tools including the Leaching Index, Soil-Pesticide Interaction Ratings (WIN-PST), Phosphorus Index, and any other locally important tools at a "apply independently" proficiency level for common site conditions in the candidate's work location

Knowledge of applicable federal, state, tribal, and local laws and regulations at a "perform with supervision" proficiency level

All certification elements have been completed and meet minimum criteria levels.
