

**EMERGENCY WATERSHED PROTECTION – FLOODPLAIN EASEMENT  
PRELIMINARY RESTORATION PLAN**

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City, State, County: \_\_\_\_\_

**Objective**

To restore the property to its native condition for environmental benefits

The NRCS preliminary restoration plan includes the following conservation measures:

1. Remove all structures not excluded from the easement
2. Remove invasive species
3. Grade landscape as needed
4. Stabilize erosion problems
5. Plant native grasses, shrubs and trees
6. Post easement signs at appropriate locations
